

IMPORTANT NOTE:

- The ETF aims to provide investment results that, before fees and expenses, closely correspond to the performance of the CSI Global China Internet Index (“Index”).
- Investment involves risk, including the loss of principal. Investors should refer to the prospectus of Samsung CSI China Dragon Internet ETF (the “ETF”) for details, including the risk factors. Investors should not base investment decisions on this material alone. Historical performance does not indicate future performance.
- The ETF could be subject to certain key risks such as risks of concentration in internet and technology sectors, tracking error risk, trading risk and stock connect risks.
- The Manager may at its discretion pay distributions out of capital, or effectively out of capital, of the ETF, amounting to a return or withdrawal of part of an investor’s original investment or from any capital gains attributable to that original investment, resulting in an immediate reduction of the NAV per unit.

INVESTMENT STRATEGY

The ETF seeks the performance return of 30 largest global listed China Internet companies amongst US, HK and China that has been listed for more than 3 months unless the size of the IPO is more than USD10 billion.
