W.I.S.E. – CSI 300 China Tracker®
(Stock Code: 02827)

IMPORTANT NOTES:

- Investment involves risks and W.I.S.E. – CSI 300 China Tracker® (the "Fund") may not be suitable for everyone. Past performance is not indicative of future performance. The Fund is subject to market and exchange rate fluctuations and to the risks inherent in all investments. Price of Units and the income (if any) generated from the Fund may go down as well as up. Investors could face no returns and/or suffer significant loss related to the investments. There is no guarantee in respect of repayment of principal.
- The key risks to which the Fund is subject to include: general investment risk, the People's Republic of China ("PRC") market/ emerging market risk/ single country concentration risk, passive investment risk, tracking error risk, trading risks, trading differences risks, risks associated with the Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect (collectively, the "Shanghai and Shenzhen Connect"), risks associated with investment made through qualified foreign institutional investors ("QFII"), synthetic representative strategy risks, equity market risk, foreign exchange and RMB currency and conversion risks, legal and regulatory risk, PRC tax risk, termination risk, reliance on market maker risks, early A-share access product ("AXP") redemption and repurchase risk and risk of conflicts of interests.
- The Fund invests in an emerging market, such as the PRC, which may involve increased risks and special considerations not typically associated with investment in more developed markets.
- The Fund may suffer substantial losses if there is insufficient QFII quota allocated for the Fund to make investments, the approval of the QFII is being revoked/terminated or otherwise invalidated as the fund may be prohibited from trading of relevant securities and repatriation of the Fund's monies, or if any of the key operators or parties (including QFII custodian/brokers) is bankrupt/in default and/or is disqualified from performing its obligations (including execution or settlement of any transaction or transfer of monies or securities).
- The relevant rules and regulations on Shanghai and Shenzhen Connect are subject to change which may have potential retrospective effect. Each of Shanghai and Shenzhen Connect is subject to a set of Daily Quota, which does not belong to the Fund and can only be utilized on a first-come-first serve basis. Where a suspension in the trading through the programme is effected, the Fund's ability to invest in A Shares or access the PRC market through the programme will be adversely affected. In such event, the Fund's ability to achieve its investment objective could be negatively affected.
- The Fund is subject to foreign exchange and RMB currency and conversion risks. The Fund may also be subject to bid/offer spread and currency conversion costs when converting to and from Hong Kong dollars and RMB.
- Based on professional and independent tax advice, the Fund currently will not make the following tax provision (i.e. 10% withholding income tax provision on realised and/or unrealised capital gains from trading of A Shares by the Manager as QFII or a QFII in relation to which the underlying A Shares to which an AXP is linked or by the Fund in investing in A Shares via Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect). There are risks and uncertainties associated with the current PRC tax laws, regulations and practice in respect of capital gains realised via Shanghai and Shenzhen Connect or AXPs on the Fund's investments in the PRC. Any future changes in the taxation policies will impact on the Fund's returns.
- Please refer to the offering document of the Fund for further details including investment objectives and policies, charges and expenses, risk factors and the arrangement in the event that the Fund is delisted, before making any investment decision.

Investment Objectives and Policies

The Fund is an index-tracking exchange traded fund which seeks to track the performance of the CSI 300 Index (the "Index"). The Manager intends to achieve the investment objective of the Fund by ultimately investing primarily in A Shares directly via the Manager's QFII investment quota and/or in certain eligible A Shares via Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect.

The fund performance is calculated in fund's base currency on NAV-to-NAV basis with gross distribution reinvested (Source: BOCI-Prudential Asset Management Limited). Starting from 1 July 2014, CSI 300 Total Return Index is replaced with CSI 300 Net Total Return Index for index performance calculation. (Source: China Securities Index Co., Ltd.). CSI 300 Net Total Return Index is denominated in RMB. For the purpose of performance comparison, index performance is presented in HKD and calculated by referring to the foreign exchange rates for RMB/ HKD quoted by Bloomberg – Bloomberg RMB (CNY) rate (Tokyo Composite) at 4:00 p.m. Hong Kong time on the corresponding dealing dates.

IMPORTANT INFORMATION: Investors should note that the Fund is different from a typical retail investment fund offered to the public in Hong Kong, in particular:

- The Units of the Fund may only be created and redeemed in Application Unit Sizes* (as defined in the Prospectus) directly by Participating Dealer(s) or Eligible Investor(s) (as defined in the Prospectus);
- In-kind Creation Applications will be not accepted;
- There is risk related to divergence between the market price of the Units and the NAV of the Fund. The market price of the Units traded on the SEHK is determined not only by the NAV of the Fund but also by other factors such as the supply of and demand for the Units in the SEHK; and
- The Units may trade at a substantial premium or discount to the Fund's NAV.
