(Stock Code: 03024)

IMPORTANT NOTES:

- Investment involves risks and W.I.S.E. – SSE 50 China Tracker® (the "Fund") may not be suitable for everyone. Past performance is not indicative of future performance. The Fund is subject to market and exchange rate fluctuations and to the risks inherent in all investments. Price of Units and the income (if any) generated from the Fund may go down as well as up. Investors could face no returns and/or suffer significant loss related to the investments. There is no guarantee in respect of repayment of principal.
- The key risks to which the Fund is subject to include: general investment risk, the People's Republic of China ("PRC") market/ emerging market risk/ single country concentration risk, passive investment risk, tracking error risk, trading risks, trading differences risks, risks associated with the Shanghai-Hong Kong Stock Connect, equity market risk, foreign exchange and RMB currency and conversion risks, legal and regulatory risk, PRC tax risk, termination risk and reliance on market maker risk.
- The Fund invests in an emerging market, such as the PRC, which may involve increased risks and special considerations not typically associated with investment in more developed markets.
- The relevant rules and regulations on Shanghai-Hong Kong Stock Connect are subject to change which may have potential retrospective effect. Shanghai-Hong Kong Stock Connect is subject to a set of Daily Quota, which does not belong to the Fund and can only be utilized on a first-come-first serve basis. Where a suspension in the trading through the programme is effected, the Fund's ability to invest in A Shares or access the PRC market through the programme will be adversely affected. In such event, the Fund's ability to achieve its investment objective could be negatively affected.
- Based on professional and independent tax advice, the Fund currently will not make the following tax provision (i.e. 10% withholding income tax provision on realised and/or unrealised capital gains from trading of A Shares by the Fund via Shanghai-Hong Kong Stock Connect). There are risks and uncertainties associated with the current PRC tax laws, regulations and practice in respect of capital gains realised via Shanghai-Hong Kong Stock Connect on the Fund's investments in the PRC. Any future changes in the taxation policies will impact on the Fund's returns.
- Please refer to the offering document of the Fund for further details including investment objectives and policies, charges and expenses, risk factors and the arrangement in the event that the Fund is delisted, before making any investment decision.

Investment Objectives and Policies

The Fund is an index-tracking exchange traded fund which seeks to provide investment performance (before taxes) that tracks the performance of the SSE 50 Index (the "Underlying Index"). In order to achieve the investment objective of the Fund, the Manager will adopt a representative sampling strategy for the Fund. The Fund, at present, invests directly in A Shares via the Shanghai-Hong Kong Stock Connect.

The fund performance is calculated in fund's base currency on NAV-to-NAV basis with gross distribution reinvested (Source: BOCI-Prudential Asset Management Limited). Starting from 1 July 2014, SSE 50 Total Return Index is replaced with SSE 50 Net Total Return Index for index performance calculation. (Source: Shanghai Stock Exchange). SSE 50 Net Total Return Index is denominated in RMB. For the purpose of performance comparison, index performance is presented in HKD and calculated by referring to the foreign exchange rates for RMB/HKD quoted by Bloomberg – Bloomberg RMB(CNY) rate (Tokyo Composite) at 3:00 p.m. Hong Kong time on the corresponding dealing dates.

IMPORTANT INFORMATION: Investors should note that the Fund is different from a typical retail investment fund offered to the public in Hong Kong, in particular:

- A Participating Dealer may only create or redeem Units in Application Unit Size+ (as defined in the Prospectus) directly with the Fund;
 - There is risk related to divergence between the market price of the Units and the NAV of the Fund. The market price of the Units traded on the SEHK is determined not only by the NAV of the Fund but also by other factors such as the supply of and demand for the Units in the SEHK;
 - The Units may trade at a substantial premium or discount to the Fund's NAV.
- § "Net Liquidity" was formerly named as "Cash".
- ▼ The ongoing charges figure is based on expenses for the period ended 31 December 2016. This figure may vary from year to year. The expenses include (without limitation) management fee and charges and payments deducted from the assets of the Fund on a periodic basis but do not include certain items such as payments to third parties regarding costs incurred in relation to the acquisition or disposal of any assets of the Fund, withholding tax and capital gains tax (if applicable).
- + Minimum 800,000 Units (or multiples thereof). Investors may buy or sell Units of the Fund through an intermediary such as a Stockbroker on the SEHK. The Trading Board Lot Size is 100 Units.
- # Starting from Issue Aug 2013, the word "Listing" was replaced by "Inception".
- ♦ The Manager may in its discretion make distributions to Unitholders in each financial year as the Manager considers appropriate, having regard to the net income of the Fund. Distributions are not guaranteed and the Manager may in its sole and absolute discretion decide not to make any distributions in a financial year.
